Street Food-Inspired Canapé Selection

Our canapé menu is inspired by the vibrant street food of southern Italy, where bold flavours and simple, rustic dishes are a way of life. In regions like Naples, Sicily, and Calabria, street food is a staple, offering delicious, easy-to-eat snacks that showcase the richness of local ingredients.

From fried pizza and mini calzones to crispy rice balls like arancini and supplì, southern Italy excels in hearty, deep-fried treats. Grilled seafood such as octopus and oysters, along with rustic sandwiches like Piadina Romagnola filled with porchetta, capture the essence of the coast. Vegetarian options like stuffed zucchini flowers, polenta with mushrooms, and grilled vegetables reflect the region's love for fresh, Mediterranean flavours.

Our canapé selection brings the spirit of southern Italy's street food scene to your event, delivering authentic, mouthwatering bites for every occasion.

The final selection should include a balanced variety from the list below, with a minimum of two pieces from each category: seafood, meat, vegetarian, and more substantial options. Sweet selections are optional. Prices listed are per piece.

(Available for Lunch & Dinner)

Please note: Our street food-inspired selection is a sample menu, and some items may change slightly with the seasons. If you have specific preferences or requests, we'd love to hear from you. Just get in touch, and we'll do our best to accommodate. We're also happy to cater to dietary requirements with a little notice.
